This form is used to designate an alternate beneficiary(ies) for any retirement benefits payable in the event of your death. You may designate any person, persons or estate. The primary beneficiary(ies), if living, will receive the benefits. If the primary beneficiary(ies) is deceased the alternate beneficiary(ies) will receive the balance of your accumulated contributions, if applicable. If you name more than one alternate beneficiary and any of them predecease you, please be sure to update your designation. If you do not submit a new designation, SCERA will pay out benefits according to the percent listed with the portion attributable to the deceased beneficiary being split evenly between the remaining persons.

This form must be typed or completed in black or blue ink. To correct a clerical error, line through the incorrect information and initial the change. Forms will be returned if changes are made using "white-out." Changes to beneficiary, estate, trust, or charity names are not considered clerical; if you make an error to either of these areas a new form must be completed.
